	13:00	14:30	<b>Arrival/Registration</b>	
00:30	14:30	15:15	<b>Opening – Pierre-Marie Abadie (CEO of Andra), Luis Aparicio (Program Committee, Andra)</b>	
<b>Dialogue Session</b>		<b>Confidence and trust in long lasting perspectives – 1 (Chair: Pierre-Benoît Joly)</b>		
01:10	15:20	16:30	Participants: Bernd Grambow (Ecole des Mines de Nantes), Saïda Laârouchi Engström (SKB), Allison Macfarlane (George Washington U.), Frédéric Plas (Andra)	
01:15	16:30	18:00	<b>POSTERS SESSION</b>	

## Tuesday 13<sup>th</sup>

<b>Session 1</b>		<b>Measured decision-making (Chair: Anne Bergmans)</b>		
00:30	09:00	09:30	Anticipating, predicting, forecasting? Comparing and understanding forms of foreknowledge in policy	D. Demortain (INRA-LISIS)
00:30	09:30	10:00	Nanomedicines: addressing uncertainties from bench to bedside	H. Hillaireau (CNRS-I. Galien)
00:30	10:00	10:30	“If honestly done, there are no bad predictions in crime control”. Predicting the “unforecastable” in police patrols	B. Benbouzid (LISIS-UPEM)
00:30	10:30	11:00	Framing epistemic uncertainties through bounding strategy in risk assessments. Example of natural hazard and geological storage of CO2	J. Rohmer et al. (BRGM)
00:15	11:00	11:15	<b>BREAK</b>	
00:30	11:15	11:45	The 1.5° long-term global temperature goal in climate regime. Debate on dangerousness, political legitimacy and feasibility	H. Guillemot (CNRS-CAK)
00:30	11:45	12:15	The Community of Integrating Assessment Modelling: overview, structuring and interactions with the IPCC expertise	C. Cassen (CNRS-CIRED) et al.
00:30	12:15	12:45	Past floods and anticipating futures: Thailand and its post 2011 flood responses	D. Hogendoorn (UCL) and A. Zegwaard (Amsterdam U.)
13:00		14:00 <b>LUNCH</b>		
<b>Session 2</b>		<b>Dealing with uncertainties in megaprojects (Chair: Jean-Alain Héraud)</b>		
00:30	14:15	14:45	Opening up of megaproject appraisal – challenges of radioactive waste disposal projects as a(n) (un)typical type of megaprojects	Markku Lehtonen (GSPR/EHESS)
00:30	14:45	15:15	How stakeholder and citizen participation influences evaluation criteria for megaprojects: The case of the Belgian LILW repository	A. Bergmans (U. Antwerp)
00:30	15:15	15:45	Financing a million years? The case of the North-American nuclear waste program	B. Saraç-Lesavre (Mines ParisTech)
00:30	15:45	16:15	Uncertainties and opportunities in megaprojects planning, assessment and decision-making process	G. Zembri-Mary (University of Cergy-Pontoise)

00:15	16:15	16:30	<b>BREAK</b>	
00:30	16:30	17:00	Translating failures. The journey of framing government digitization as failing project	A. Pelizza (U. Twente)
00:30	17:00	17:30	Front-end Analysis and Decision-making in Large Investment Projects	K. Samset and G. Holst Volden (NTNU)
00:30	17:30	18:00	Comparative assessment of uncertainties and risks associated with different disposal options for radioactive waste	A. Eckhardt (Risicare GmbH)
20:00	<b>CONFERENCE DINNER</b>			

**Wednesday 14<sup>th</sup>**

45:00	09:00	09:45	<b>KEYNOTE "Scenario Futures", Peter Galison (Harvard U.)</b>	
<b>Session 3</b>		<b>Instruments, methods and tools (Chair: Pietro Marco Congedo)</b>		
00:30	09:45	10:15	Uncertainties and confidence in climate projections: construction and inter-comparison of climate models.	JL. Dufresne and V. Journé (CNRS-LMD)
00:30	10:15	10:45	Dealing with numerical uncertainties in the field of air quality forecasting and management	L. Rouil (INERIS)
		10:45	<b>BREAK</b>	
00:30	11:00	11:30	Global sensitivity analysis methods for uncertain stochastic differential equations and stochastic simulators	O. Le Maitre (CNRS)
00:30	11:30	12:00	Quantification of uncertainties from ensembles of simulations	I. Herlin and V. Mallet (INRIA)
00:30	12:00	12:30	About the treatment of measurement uncertainties in computer codes	P. M. Congedo (INRIA)
		12:45	<b>LUNCH</b>	
01:20	13:45	15:05	CONTAINMENT	Film by P. Galison and R. Moss
<b>Dialogue Session</b>		<b>Confidence and trust in long-lasting perspectives – 2 (Chair: Soraya Boudia)</b>		
01:10	15:05	16:15	Participants: Peter Galison (Harvard U.), Patrick Landais (Andra), Allison Macfarlane (George Washington U.), Dominique Pestre (EHESS)	
00:15	16:15	16:30	<b>CLOSING – Pierre-Marie Abadie (CEO of Andra)</b>
